When Civic Scholarship Meets Civic Practice: University of Miami's Office of Civic and Community Engagement

March 23, 2023
Noon-1:00 pm ET

Dr. Bachin, author of “Engaging Place, Engaging Practices: Urban History and Campus-Community Partnerships,” will present on the civic scholarship of University Miami’s Office of Civic and Community Engagement (CCE). The Center fosters campus-community collaboration by engaging the university’s academic resources to enrich civic and community life. This webinar will feature topics of climate change and affordable housing in Miami Dade County and how civic scholarship is linked to improving public and civic practice.
