CIVIC ADVANCE

# FCA Third Thursday Webinars 2023

Civic Lex:

February 22 2023

Noon-1:00 pm ET

unique nonprofit working to improve the civic health of Fayette County, Kentucky help residents understand local government, help local government connect with residents, and are building a community in which everyone can meaningfully participate in the decisions that shape where they live.

toolbox for building a more engaged community. We cover and report on city hall, we bring people together to learn from different perspectives and process community challenges, we do deep community-based research, we help young people find their civic voice, and much more.
