Is Belonging the Heart of Civic Health? Cities of Belonging and Engagement

Thursday January 18, 2024

12-1 pm ET

What is the relationship of belonging to civic health and community wellbeing? This webinar will focus on the the Greater Seattle Compact for Belonging, sponsored by the Seattle Foundation's Civic Commons initiative. It is about fostering cultures of belonging at the local level. It involves increasing capacity of local staff working in and outside of government to create policy and institutional practices that support belonging. It fosters more organizational collaborations, formal and informal networks, and individual relationships that enhance community belonging.

Moderator:

Tim Dutton, Florida Civic Advance Board Member, Sarasota

Presenters

Quixada Moore-Vissing, Founder and President of Public Engagement Partners, Portland, Maine

Frank Nam, Project Director, We Belong, Civic Commons, Seattle Foundation
